3. EXHIBITION STANDARDS

A. General:

1. All exhibits shall be germane to the industry and of interest or of educational value to the profession.

2. A standard booth is 10' x 10' or 3.048m x 3.048m (or multiples thereof) and includes all items listed on front of this contract (see *Space Selection and Fees*)

3. Exhibitors are required to have, at their sole cost, wall to wall carpeting or other flooring in the booth.

4. Products of firms not exhibiting may not be displayed or advertised in any exhibit area or elsewhere in the Hotel when, in the discretion of AMS, such products are competitive with the products of exhibiting firms. Complaints registered under this section must be made in writing to AMS.

B. Arrangement of Exhibits:

1. All standard booth displays will be confined to a maximum backwall height of 8'3" (2.5M) and all display fixtures over 4' (1.22M) in height and placed within 10' linear (3.05M) of an adjoining exhibit must be confined to that area of the exhibitor's space which is not more than 5' (1.52M) out from the aisle line. Island and peninsula displays are permitted to a maximum height of 16' (4.87M) when plans are submitted and approved by AMS at least 60 days prior to the opening of the show. All open or unfinished sides are to be covered at exhibitor's expense so as not to appear unsightly. The exhibitor shall not obstruct the view of adjoining exhibits nor be operated in any manner objectionable to other exhibitors. No part of an exhibit may intrude into the public aisles as shown on the official floor plan. All lighting must remain within the confines of the exhibit and must be arranged and operated so as not to be distracting to adjacent exhibits.

The operation of radios or other sound devices operated in an objectionable manner in the opinion of AMS Show Management shall be prohibited. Exhibitors are required to construct displays that are accessible by the physically challenged and to comply with the Americans with Disabilities Act (ADA).

2. All boxes, crates, and extraneous materials must be stored from sight during show hours.

3. Equipment or machinery producing excessive vibration of floor area may be subject to limited operation or elimination if in the judgement of AMS Show Management it interferes with neighboring exhibits.

4. AMS Show Management shall be the sole arbiter of acceptability of arrangements of exhibits including and without limitations to sound & lighting levels and exhibit operations. AMS may require reduction or elimination of sound or lighting level reproducing devices and rearrangement of exhibit in those instances where in violation

of these standards or otherwise objectionable aspects of exhibits.

AMS may, at the exhibitor's expense, direct revisions of any exhibit that does not comply with the above Guidelines. Exhibits/Displays not conforming to these standards or which in design, operation or otherwise are objectionable, in the opinion of AMS, will be prohibited. AMS reserves the right to make such modifications and change exhibit booth space assignments as may be necessary to adjust each floor plan at any time to meet the needs of sponsors, exhibitors, and exhibits.

C. Exhibit Management: The AMS Exhibit Program conforms to the rules and regulations of the International Association of Exhibition and Events and the Exposition Services Contractors Association. AMS will designate Official Contractors to provide various services to the exhibitors. Such contractors will provide exhibit services, except supervision. The Exhibitor shall provide only the material and equipment he/she owns to be used in his exhibit space. All other items used in the booth are to be provided by the Official Contractors.

D. Exhibit Services Manual: AMS will prepare and send via email, an Exhibitor Services Manual. This Manual contains information relevant to the Conference and to the ordering of all exhibit services including installation of telephones, electrical service, internet services; and the shipping, handling and receiving of freight.

4. OFFICIAL CONTRACTORS, INDEPENDENT CONTRACTORS, EXHIBITOR SERVICES

A. Official Contractor: AMS has named Freeman the Official Service Contractor for the AMS. In that capacity, Freeman will provide drayage, labor, and decorating services to the Exhibit Program, except for services provided to individual exhibitors by their AMS-approved Independent Services Contractors.

B. Dock and Loading Facilities: Freeman will have complete control of all the dock and loading facilities. Freeman will receive all direct and advance shipments, van loads, handle all freight, and provide all rigging, labor and equipment. Exhibitors are requested to coordinate their shipments via Freeman. Freeman will designate an entrance to be used by booth personnel for hand carried shipments.

C. Exhibitor Service Desk: Freeman will staff a service desk throughout the exhibit installation, operation, and move-out period. All services not ordered in advance can be obtained through this desk.

D. Independent Contractors: An Independent Service Contractor is any company providing exhibit services other than the Official Service Contractor. An exhibitor may request the services of an independent service contractor to provide display installation & removal, photography; and audio visual support.

The request to use the services of an independent contractor must be made in writing and received by AMS sixty days (60) days prior to show move-in. The request must be made by the exhibiting company; notification by the independent contractor is not acceptable. AMS will require an independent contractor to submit certificates of insurance, comprehensive general liability, and automobile insurance with a minimum limit of one million dollars (\$1,000,000); and meet the requirements established by the State of Texas as well as the city of San Antonio before allowing the independent contractor to service the exhibitor.

Permission to use the services of an independent contractor will be granted only if it will not interfere with or prejudice the orderly setup, operation or removal of the exhibit program. Permission to use an independent contractor will **NOT** be granted if that request is inconsistent with the commitments made and obligations assumed by AMS in any contract with any service contractor or in its lease with the exhibit facility. *For electrical, plumbing telephone, internet, security, cleaning, drayage, and rigging services; no exceptions will be made and the Official Contractor must be used.*

Exhibitors must furnish AMS a list of full-time employees of their firm who will be servicing the AMS exhibit program. AMS will provide AMS exhibitor badges to independent contractor personnel. Independent Service Contractor identification badges will not be recognized by AMS for entry to the exhibit hall.
