

BAMS PUBLICATION CHARGE CERTIFICATION

(make a copy for your files)

Publication charges are financial contributions from authors' institutions to help defer the cost of disseminating research results and should be regarded as an essential and proper part of the research budget. They are designed to cover the cost of editorial, composition, and related work to prepare an article for printing and to partially support its inclusion in various abstract and index databases to allow broader dissemination of this work. **Payment of publication charges is expected.** If an author's institution is truly unable to pay the publication charge for an article, the reason must be stated below (if you have been granted a page charge waiver, please note the waiver date and amount in your reason below, but we still need this form filled out completely.) **IMPORTANT:** An official purchase order number or valid credit card number is required for our billing purposes; your purchase order **must** include the same identifying information that appears on this form (manuscript no., journal, title, author).

SINCE RECEIPT OF THIS FORM IS PREREQUISITE TO THE FURTHER PROCESSING OF THE MANUSCRIPT FOR PUBLICATION, IT MUST BE RETURNED WITHIN FOUR WEEKS to:
