

Wave Page

Directions for Assembling Wave Analyzer Slide Chart:

1. Cut out "Wave Page" along solid line borders.
2. Insert Wave Page into sleeve until "Pull Here" appears in notch at right.

Directions for Using Wave Analyzer Slide Chart:

1. Lay slide chart on desk in front of you with notch to the right.
2. With left hand, press down along left edge to anchor chart to desk.
3. While focusing on lines representing wave crests in window, slowly pull insert to right to put waves into motion towards the shore.
