

The procedure for Fellows nominations is restricted to electronic submissions. The nominator, an active AMS member, is responsible for uploading the entire nomination package. On the nominations page, <http://www.ametsoc.org/awards/index.cfm>, you must enter your email address and password, then click submit. From menu box, select nomination for Fellow members. The requirements for nomination packages are: completion of on-line form (3 pages max.) and a nomination letter limited to one page; along with three one-page letters of support. **Of these three letters, one support letter is required from an individual outside the nominee's home institution.** These letters should supplement the information in the sponsor's original nomination of this individual. **(DO NOT LIST PUBLICATIONS OR INCLUDE CV.)**

Sample of the on-line form:

Nominee's Educational Background

Year of entry into a professional position in the atmospheric or related oceanic or hydrologic sciences

Present Position or Occupation (with address)

Recent Professional Positions

Honors and Awards

List additional significant contributions, committee memberships and offices held in AMS and other scientific organizations. (DO NOT LIST PUBLICATIONS OR INCLUDE CV.)

The complete list of Fellows can be found on http://www.ametsoc.org/memdir/fellowslist/get_listoffellows.cfm. Committee members are not involved in the nomination process.
