4th Annual Temperature Trek

Our annual morning temperature survey has been re-scheduled for Saturday, February 23rd. We will meet early in the morning (location TBD) if the weather is cooperative. By cooperative, ideally we'd like a relatively clear and calm morning - the goal is to survey the local temperature variances throughout the Portland area. Past routes include:

Outer Eastside (Troutdale/Corbett/Gresham/Boring/Sandy?)
Outer SW Portland (Wilsonville, Sherwood, Tigard, Tualatin)
Vancouver (Central) and North Portland
Outer SE Portland (Powell Foster Rd to Sunnyside, Clackamas, Damascus, Mt. Scott)
Far Westside (Forest Grove, North Plains, Hillsboro, Tanasbourne, Aloha)
Central/East Clark County (Orchards/Battle Ground/Camas/Washougal)
West Hills (out to Hwy 30 to Cornelius Pass, down West Hills, Southwest Portland)
Westside (west of West Hills to 185th, Beaverton, Bethany, Cedar Hills, Garden Home)
South (Milwaukie, Oregon City, West Linn, Lake Oswego)

If it's cloudy or windy, then the temperature tends to be uniform throughout the area - and that's no fun. Please come join us – this is our only family-fun field meeting of the year!

Saturday, February 23rd, 2008, 7 am – 8 am
Please RSVP by **Feb. 21st** (Thursday) to Drew (Drew.Jackson@kptv.com) or Bobby (bvrtnwx@hotmail.com)
