

NOMINATION FOR AMS LECTURER

Please complete both sides of form. Do not continue items on attachments. Use only the space provided.

Name of Nominee

Sponsor

1. Check the lecture award that you are nominating the individual to receive:

Robert E. Horton Lecturer in Hydrology

Bernhard Haurwitz Memorial Lecturer

Walter Orr Roberts Lecturer in Interdisciplinary
Sciences

The Sponsor should submit this form no later than **1 October** to: **Chair, Awards Oversight Committee, American Meteorological Society, 45 Beacon Street, Boston, MA 02108** (see www.ametsoc.org for lecturer descriptions and previous recipients). Enclose or send under separate cover, up to three letters of support, one page in length. Headquarters will forward a copy of the nomination package to the appropriate STAC Committee and the STAC Commissioner.

Lecturers are selected each year by the Council based on a recommendation by the STAC Commissioner. Nominations considered are those submitted in the current and preceding two years. The lecture will be presented at an Annual Meeting or an appropriate specialty conference. In the space below, please give a concise supporting statement outlining the nominee's major accomplishments and contributions in relation to the requirements specified in the lecturer description. Also propose a citation of no more than 30 words that highlights this recognition. NOTE: To avoid disappointment in the event of failure of selection, the nominee should not be informed that he/she is being considered.
