* Paid subscribers to EI must complete online agreement specific to Earth Interactions.

**New subscribers must complete a Journals Online Subscription Agreement in order to activate online access to the journals for which they've paid. There are no separately priced print-only subscriptions; subscribers not wishing to activate access to the online content should subscribe at the '0-100 workstation' level. Please add an additional \$65 for surface mail delivery outside the U.S. (\$35 for WAF and JHM, \$130 for JCLI). Airmail delivery is an additional \$120 (\$60 for WAF and JHM, \$240 for JCLI).

Kindly send all orders for Meteorological and Geostrophysical Abstracts (MGA), Volume 58, 2007 to Cambridge Scientific Abstracts, 7200 Wisconsin Ave., Bethesda, MD 20814, (301) 961-6700.

TERMS AND CONDITIONS

- Subscriptions are accepted for the calendar year only (i.e. January, 2007 - December, 2007).
- Online prices include access to the 2007 volume year only. Back issue prices are available upon request.
- All online subscribers must execute an online subscription agreement prior to their online subscription being activated. Please download a form from our Web site at www.ametsoc.org or contact us at 617-227-2425 for a copy.
- The number of workstations (Ws) represents an estimate of the total number of workstations under the network or subnetwork(s) that would have access to the Journals Online for the domain names or IP address ranges included in the subscription agreement.
- All rates are quoted in U.S. dollars. Subscriptions must be prepaid in U.S. dollars by a check/draft drawn on a U.S. bank or by an international money order.
- Only claims that are received up to 90 days for U.S. subscriptions or up to 180 days for foreign subscriptions from the date of issue will be considered.
- All requests for replacement issues must be submitted in writing. Claims will not be accepted over the phone. Please include a complete shipping address, order number and payment information with all claims.
- All address changes for a subscription must be submitted as soon as possible and must include the new address as well as the original address.

AMS shares the concern of the library community with respect to the long-term integrity and accessibility of scholarly journal content. The Society strongly endorses LOCKSS, and is a participating member of the program. LOCKSS is a university library initiative for preservation of digital content. For more information on this initiative, please visit <http://lockss.stanford.edu/>.
