2026 Joint AMS Washington Forum, Summer Community Meeting

21-23 July 2026, Washington, DC and Online

2026 THEME: CAPTURING OUR ENTERPRISE

Today the enterprise has evolved into a fast-moving ecosystem spanning weather, water, and climate providers, researchers, technology leaders, communicators, and policymakers across the public, private, and academic sectors. Topics covered include:

- KEY FORCES SHAPING THE ENTERPRISE
- AI CONVERGING WITH TRADITIONAL MODELING
- ENVIRONMENTAL DATA DRIVING DECISION-MAKING
- BLURRING PUBLIC AND PRIVATE SECTOR ROLES
- GROWING URGENCY AROUND EXTREME WEATHER RESILIENCE
- ASSESS WHERE WE ARE TODAY
- EXAMINE CHALLENGES AND OPPORTUNITIES

*Organized by the Board on Enterprise Economic Development (BEED), Board on Enterprise Communication (BEC),
Both part of the AMS Commission on the Weather, Water, and Climate Enterprise (CWWCE)*

The AMS 2026 Joint Washington Forum and Summer Community Meeting provides the ability to connect with leaders from across the Weather, Water, and Climate Enterprise.

With current policy changes reshaping the landscape, these three days of engagement and collaboration are important to finding answers to the challenges faced by our community. Sponsorship provides essential support to attendees who are shaping the future of the enterprise. Be visible, be engaged! Review the sponsorship options below and contact AMS to secure your place today.
