Terms and Conditions

1. Scope of License. Institutional Subscriber Use Restrictions. Under this Agreement, Subscribing Institution is granted a nonexclusive, revocable, nontransferable right and license to access and use the subscribed AMS journal via the Subscribing Institution's IP addresses and, in connection with the foregoing, to permit Subscribing Institution's Authorized Users to access the journals and:

a. to share such hard copy with third parties to the same extent as the print edition or to the extent permitted under fair use provisions of the Copyright Act of 1976;
b. to use, with appropriate credit, figures, tables, and brief excerpts from the journals in scientific and educational works or similar work product of the Authorized User, except those portions thereof that are so noted as in the public domain or are U.S. Government works, for which no permission to copy is required.

Except as expressly permitted herein, all other uses of the journals or any portion thereof, including republication, resale, systematic reproduction, or storage in a searchable, or timeshare of the AMS journals database require written permission of the AMS.

Authorized Users must be employees, faculty, staff, or students officially affiliated with the Subscribing Institution and patrons of the Subscribing Institution's library facilities. This includes occasional users who access AMS journals through stations physically located on the site and under the control and administration of the Subscribing Institution. Authorized Users also includes persons affiliated with remote sites or campuses of the Subscribing Institution that are administered from the Subscribing Institution's site or campus, but not persons affiliated with remote sites or campuses that have separate administrative staffs.

This Agreement is enforceable only against and by the parties who have executed it; the Agreement neither creates nor restricts rights to third parties. However, AMS asks that the Subscribing Institution agree to make reasonable efforts to take appropriate action should they become aware of any misuse that would violate the terms of the Agreement and that the Subscribing Institution continue to promote an environment that does not allow for abuse of the terms of the Agreement.

2. Terms and Fees. The agreement will last through the end of the calendar year in which the subscription first becomes effective. This Agreement will remain in effect thereafter for successive subscription years so long as annual subscription fees are paid, subject to any new terms and/or conditions required by AMS at that time and shared with Subscribing Institution 30 days in advance. Both AMS and Subscribing Institution have the right to terminate this Agreement at the end of a subscription year by written notice given at least 30 days before the end of the subscription year.

Upon termination for non-renewal of a subscription, Subscribing Institution may continue to use and access those journals to which it previously subscribed, subject to the terms and conditions contained herein.

AMS reserves the right to temporarily suspend access without prior notice to AMS journals at the IP address from which any violation of this Agreement originates. In the event that either party believes that the other materially has breached any obligations under this Agreement, or if AMS believes that Subscriber has exceeded the scope of the License, such party shall so notify the breaching party in writing. The breaching party shall have 30 days from the receipt of notice to cure the alleged breach and to notify the non-breaching party in writing that cure has been affected. If the breach is not cured within the 30 days, the non-breaching party shall have the right to terminate the Agreement without further notice.

3. Technical Assistance and Customer Support. Technical assistance solely related to the online technical aspects of the AMS journals database can be obtained by sending an e-mail to amsjol@ametsoc.org.

4. Copyright. The Subscribing Institution acknowledges that it has no claim to ownership by reason of its use of or access to the subscribed AMS journals. Except as otherwise provided herein, the journals, their content, and the database are owned by the AMS and are protected by the U.S. Copyright Laws and International Treaty provisions. Downloading or copying of content is permitted to allow Subscribing Institution and its Authorized Users to exercise its rights under this Agreement to the same extent as the print edition of the journal. Other recompiling, copying, publication, or republication of the content, or any portion thereof, in any form or medium whatsoever, may be done only with the specific written permission from AMS. Requests for permissions can be submitted via https://www.ametsoc.org/ams/publications/permissions/.

5. Disclaimer of Warranties — Limitation of Liability. THE SUBSCRIBED JOURNALS ARE PROVIDED "AS IS" WITHOUT ANY WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO, WARRANTIES OF DESIGN, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OR ARISING FROM A COURSE OF DEALING, USAGE, OR TRADE PRACTICE.

Further, AMS does not warrant that the Subscribing Institution's or any Authorized User's use of the subscribed journals will be uninterrupted or error free, or that the results obtained will be useful or will satisfy the Subscribing Institution's or any Authorized User's requirements.

Subscribing Institution's sole and exclusive remedy for damages and/or loss in any way connected with this License shall be limited to the amount of the License Fee. UNDER NO CIRCUMSTANCES SHALL AMS BE LIABLE TO SUBSCRIBING INSTITUTION OR ANY OTHER PERSON, INCLUDING BUT NOT LIMITED TO AUTHORIZED USERS, FOR ANY SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES OF ANY CHARACTER, INCLUDING WITHOUT LIMITATION, DAMAGES ARISING OUT OF INABILITY TO ACCESS AMS'S JOURNALS OR ERRORS OR INACCURACIES IN THE JOURNAL CONTENT.

Additionally, AMS shall not be liable or deemed to be in default for any delay or failure in performance or interruption resulting directly or indirectly from any cause or circumstance beyond the reasonable control of AMS; equipment or telecommunications failure; labor dispute; or failure of any third party to perform any agreement with AMS that adversely affects AMS's ability to perform its obligations hereunder.

6. General.

a. This Agreement constitutes the entire Agreement between the parties hereto and supersedes all prior oral and written and all contemporaneous oral negotiations, commitments, and understandings. The various headings in this Agreement are informational only and do not limit the scope or content of the subject matter contained therein. No waiver, amendment, or modification of this Agreement shall be effective unless it is in writing and signed by the parties hereto.
b. The Subscribing Institution may not assign or transfer its rights under this Agreement.
c. Should any provision of this Agreement be held to be void or unenforceable, the remaining provisions shall remain in full force and effect to read and construed as if the void or unenforceable provisions were originally deleted.
d. The validity, interpretation, and performance of this Agreement shall be governed by the laws of the Commonwealth of Massachusetts, excluding that body of laws dealing with conflict of laws. Venue shall be the courts of competent jurisdiction located in Massachusetts.
