

This is an open chat anyone entering the booth can click into for open discussion or to leave a comment or question. This will be most useful during formal show hours to start conversations with the booth staff. There is no limit as to how many people can be in this chat at once.

When first logging on to the platform, we encourage everyone to complete their profile and upload a photo.

AMS 101st Annual Meeting

AMS
American Meteorological Society

The American Meteorological Society (AMS) is a global community committed to advancing weather, water, and climate science and service.

Attendees are invited drop into the AMS virtual exhibit and learn about AMS membership and programs, including journals and books, certification, precollege and college education initiatives, student opportunities, the AMS Policy Program, local chapters, and AMS meetings. AMS provides many opportunities for everyone across its community, whether a student, an early career professional, or a seasoned veteran with years of experience. Be sure to stop by to learn more about AMS and browse our new merchandise.
