*[The numbering of the following sections follows that in the agenda, but the sections are listed in the order they were addressed at the meeting.]*

**0.0 Agenda**

President Shepherd called the meeting to order at 8:05 a.m. on Sunday, 2 February 2014, and welcomed all. The roll was called, and Secretary-Treasurer Rosen announced a quorum of voting members was present. President Shepherd welcomed the new President-elect and Councilors and reviewed the agenda.

**1.3 Minutes**

The Council reviewed and approved the minutes from its meeting on 19–20 September 2013.

**1.4 Council Mail Ballots**

All Council e-mail ballots not previously approved unanimously were formally approved, and ballots that were “provisionally approved” were formally approved.

**2.0 New President-elect and Councilors**

President Shepherd took this opportunity to thank those Council members rotating off following this meeting for their service. He introduced and welcomed the new president-elect and councilors, and he also acknowledged the new commissioners in attendance.

**2.1 Ballot Structure and Guidance to Nominating Committee**

President Shepherd reviewed the format used for the most recent ballot, which was designed to improve sector representation on the Council. The Council encouraged the Nominating Committee to limit government sector candidates on the ballot to truly government employees. The Council voted to continue using the same ballot structure again this year, with the ballot having separate sections for private, academic, and government sectors with three candidates in each based on current affiliation. The candidate with the most votes in each section would be elected, and the fourth elected would be the candidate with the next highest votes regardless of section. Instructions to voters will be to vote for up to four candidates with no more than two in any category.

**3.1 Scientific and Technological Activities Commission**

Commissioner Seguin reviewed his report and previewed a potential future proposal to standardize the STAC award procedures to make the process more uniform. The Council affirmed the committee and board membership lists provided by Commissioner Seguin. Ideas for new statement

guidelines, prepared by Commissioners Stensrud, Cairns, and Seguin, were presented, and the Council was generally supportive. The Council suggested letters routinely be written to those on drafting committees conveying its appreciation for their efforts.

### **3.2 Publications Commission**

Commissioner Rauber reported on a year of growth in published pages and manuscript submissions. The Council expressed its pleasure at the very positive results for the Society's publications.

*[The Council briefly recessed from 9:50-10:00 a.m.]*

### **3.3 Professional Affairs Commission**

Commissioner Trobec summarized the Commission's activities and presented lists of incoming Board members for Council review. The Council affirmed the lists.

### **3.4 Education and Human Resources Commission**

Commissioner Smith reviewed the activities of the Commission noting especially events taking place at the Annual Meeting. Commissioner Smith introduced Raj Pandya, who will become the commissioner as Smith completes his term. The Council expressed its appreciation to Smith with a round of applause.

### **3.5 Planning Commission**

Commissioner Colman presented his report.

### **3.6 Weather and Climate Enterprise Commission**

Commissioner Parker reviewed his report which included a reorganization of the Commission and new terms of reference for boards and committees. The Council approved the new structure and thanked Commissioner Parker for his hard work in overseeing the reorganization. Incoming Commissioner Glackin reported on discussions at the steering committee meeting held the previous day, and she noted areas for the future growth of the Commission.

#### **3.6.1 Name Change for the Weather and Climate Enterprise Commission**
