Tips for setting up your AMS Application Website Profile:

This step comes AFTER completing the Google Form indicating your interest to apply to either the Maury Project or Project Atmosphere; please complete that form before following these instructions.

1. You will receive an email to the email address you entered in the Google Form with an invitation to register for the AMS Applicant Website. Click the green "Join Now" button in that email and complete the required actions on the page that follows.
   a. Do NOT use the Google, Twitter, or Facebook log in option. Please create your password and complete the other required sections.
2. Be sure to record your username (email address) and the password that you create for this site in a safe place for future reference.
3. Click the green "Continue to site" button on the resulting page to proceed directly to the AMS Application Website.

To regain access to the AMS Application Website after logging out:

1. Go to https://apply.ametsoc.org/acc/l/
2. Log in using your AMS Application Website username and password.
   a. Do NOT use the Google, Twitter, or Facebook log in option.
