

# AMS 2024-25 Schedule

## *Current Weather Studies*

AMS Weather Studies investigations complimented by the Current Weather Studies posted to the RealTime Weather Portal during fall and spring semesters.

When a new activity is posted on Monday morning to the RealTime Weather Portal, the oldest moves to the Archive Portal. All archived CWS are available for the rest of the academic year, as is the previous year. Answer keys and Respondus® files will be posted to the Faculty Portal.

**CWS 13–15** are independent chapters and may be used at any point in the course. They are posted before fall semester. **Break Week** falls on **October 14** and **March 3**.
