The American Meteorological Society, partnering with NOAA (National Oceanic and Atmospheric Administration), will be hosting the Collective Madison Meeting (CMM) 8-12 August 2022 in Madison, Wisconsin. The CMM is made up of the following: The **25th Conference on Satellite Meteorology, Oceanography, and Climatology / Joint 2022 NOAA Satellite Conference**, organized by the AMS Committee on Satellite Meteorology, Oceanography, and Climatology. The **17th Conference on Polar Meteorology and Oceanography**, organized by the Committee on Polar Meteorology and Oceanography. The **16th Conference on Cloud Physics/16th Conference on Atmospheric Radiation**, organized by the Committee on Cloud Physics and the Committee on Atmospheric Radiation.

**AMS invites you to become a sponsor of CMM and secure your spot to network, influence, and receive recognition with this premier group of attendees from the private and public sectors, academia, students, and early career professionals.**
