

TRANSFER OF COPYRIGHT For Non-U.S. Government Works

JOURNAL NAME: _____

Notice to Authors: A Transfer of Copyright or Certification of Government Work must be signed by all authors of a work. Each author should sign the form appropriate to their situation, and the title and author list should exactly match the accepted manuscript. Forms should be sent to the corresponding author for upload or emailed to copyrights@ametsoc.org. More information is available under [Author Information](#) on the AMS website.

Except as otherwise provided herein, all rights, title, and interest including copyright to the work entitled

_____,
By (list all authors) _____

and any prior versions thereof, is hereby irrevocably assigned and transferred without reservation and in its entirety to the American Meteorological Society (AMS), its successors and assigns. This transfer is effective on the date the work is accepted for publication by the AMS. The author(s) reserves: (1) all propriety rights other than copyright, such as patent rights; and (2) the right to use all or part of the work in future lectures, press releases and reviews of their own. Certain additional reproduction rights are granted by Sections 107 and 108 of the U.S. Copyright Law. All other uses will be subject to the limitations given in the copyright statement of the AMS journal in which the work is published. The author(s) of this work agree to promptly notify the chief editor if this work is submitted for publication, in any medium, elsewhere before its disposition by the American Meteorological Society.

To be signed by all authors, or if the work is a work made for hire, by the employer, who is the legal author under the U.S. Copyright Laws.

Signatures must be digital or hand-written. Fill in other fields and sign.
