

## Minutes

### CE Committee Agenda Tuesday, February 11, 2014 2:00-3:00 pm ET

**Present:** Andre van der Westhuysen (chair, minutes), Art Miller, Michael DeFlorio, Alec Bogdanoff, Carol-Ann Clayson, Yi Jin, Hyodae Seo, Teddy Holt, Frank Aikman, Chris Mooers, Mona Behl.

Items discussed:

1. Planning for the 13<sup>th</sup> CE Symposium (AMS Annual Meeting, January 2015, Phoenix, AZ):
  - a. Program chair candidates: **Mike** and **Mona**. Program co-chair for Joint Session: **Hyodae**.
  - b. Draft list of session topics (please comment):
    - i. Coupling of global, regional and coastal atmospheric and ocean modeling systems
    - ii. Ensemble forecasting and uncertainty estimates in coastal zones
    - iii. Ecological forecasting
    - iv. Novel observational techniques
    - v. Socio-economic studies in the coastal environment
    - vi. Tools for delivering coastal weather information for every need, time, and place
    - vii. Case studies
    - viii. Plenary Session
  - c. A joint session will be organized with the STAC Committee on Air-Sea interaction. Hyodae to coordinate with STAC chair Justin Small and serve as program co-chair.
  - d. The option of hosting a one-day workshop at the Annual Meeting to highlight emerging technologies in the community was discussed. Topics for which we have potential presenters include (i) probabilistic surge guidance and (ii) tide gauge field visit Corpus Christi TX. This will not be pursued at this time.
2. CE Committee to meet quarterly to discuss progress and community activities. Suggested dates (please comment):
  - Mon, April 7, 1-2 pm ET
  - Mon, July 7, 1-2 pm ET
  - Mon, Oct 6, 1-2 pm ET
